GOLDEN HOOF

HOOF OINTMENT WITH LINSEED OIL, FISH OIL AND LANOLIN

Special natural greases mixture, with high percentage of lanolin enriched with fish oil and linseed oil. Used daily Golden Hoof stimulates the growth of the hoof, making it exceptionally flexible and resistant to strains. Ointment ideal for all competition horses, trotters and racehorses.

Active Ingredients: Lanoline - Natural fats - Fish oil - Linseed oil.

Veredus code: GOH Jar: ml 1000 - ml 5000

HONEY HOOF

HOOF OINTMENT WITH HONEY

The particular mixture of which Veredus Grease is made, gives the product special softening properties making the hoof more elastic and flexible.

HONEY: natural softener par excellence, it gives the hoof extraordinary flexibility and elasticity, preventing cracks due to hard and brittle hooves.

Active Ingredients: Lanoline - Natural fats - Honey.

Veredus code: HOH Jar: ml 1000 - ml 5000

GREEN HOOF

HOOF OINTMENT WITH THYME-OIL, VITAMIN F AND BIOTIN

A special mixture of natural unsaturated fats based on lanolin enriched with vitamin F and thyme-oil, now in the new formula with biotin.

- **BIOTIN (Vitamin H):** has keratin forming properties which stimulates abundant growth in the horn.
- **VITAMIN F:** the nutritional action of this vitamin quickens the process of hoof renewal.
- **THYME-OIL:** provides a protective screen against the settling of pollutant agents in the frog.
- **LANOLIN:** an extract of wool grease featuring extraordinary softening power.

Active Ingredients: Lanoline - Natural fats - Vitamin F - Biotin - Thyme oil.

Veredus code: GRH Jar: ml 1000 - ml 5000

WINTER HOOF

WINTER HOOF GREASE WITH THYME-OIL AND VITAMIN F

The special composition of the winter hoof grease is particularly recommended during the coldest periods of the year.

- **VITAMIN F:** the nutritional action of this vitamin quickens the process of hoof renewal.
- **THYME-OIL:** provide a protective screen against the settling of pollutant agents in the frog.
- **LANOLIN:** an extract of wool grease featuring extraordinary softening power.

Active Ingredients: Lanoline - Vegetal oils - Vitamin F - Biotin - Thyme oil.

Veredus code: WIH Jar: ml 1000 - ml 5000

VILLATE

CUPRIC SOLUTION

Cleaning and astringent solution for use on hooves and frogs. Cleansing and protective lotion, useful for removing dirt from hoof and frog. Regular use protects and strengthens hooves and fights off pollutants, maintaining excellent state of health.

Active Ingredients: Zinc sulphate - Copper sulphate - Acetic acid - Aluminium acetate.

Veredus code: VIL Jar: ml 500

SHAMPOO SHEEN

NOURISHING AND SILKY TANGLE FREE FINISH

Use together with Super Sheen for extra effectiveness. Shampoo Sheen degreases, cleans and nourishes coats of all colours.

The special formula with "sheen effect" **makes the coat and horsehair soft, bright and shiny.**

Active Ingredients: Detergent - Super Sheen.

Veredus code: SHS Jar: ml 500 - ml 3000

EASY WHITE

SHAMPOO FOR GREY AND WHITE HORSES

Shampoo with **cleaning power**, excellent for coat, mane and tail. **No rinse.**

Active Ingredients: Hydrogen peroxide - Oxigen.

Veredus code: ESP Jar: ml 500

SUPER SHEEN

SILKY TANGLE FREE FINISH

Super Sheen makes the coat and horsehair bright and shiny. The tail and mane lie correctly and remain tangle free for a full 15 days.

- The formation of a **protective film** makes the surface of the horsehair and coat **waterproof and also repels the dust** and dirt caused by bedding (peat, sawdust, etc.).
- Considerably **reduces** cleaning and grooming times.
- **No washing** before use or rinsing afterward needed. Not greasy.

Veredus code: SSH Jar: ml 500 - ml 1000
ml 3000 - ml 5000

BLUE SNOW SHAMPOO

EXTRA STRONG SHAMPOO FOR WHITE AND GREY HORSES

Shampoo with **exceptional cleaning** properties specifically designed for **grey and white** coats. It permanently removes **dirt and stable stains** and restores **natural** colour to the coat.

METHOD OF USE:

Wet coat, distribute shampoo evenly and rub in. Leave to act and rinse thoroughly.

Warning: avoid contact with eyes.

Veredus code: BSSH Jar: ml 500

DEFENDER SPRAY

ECO REPELLENT FOR HORSE AND RIDER

Atoxic: a non-toxic, hypo-allergic formulation that is perfectly tolerated by horse and rider.

Effective: creates an impenetrable barrier against flies, ticks, horseflies and all other insects found in stables and the countryside.

Long-lasting (formulation): the innovative mix of repellents guarantees total protection for 8/10 hours.

Protected (solar filter): a solar filter prevents the active ingredients from being degraded by the sun's rays and makes the repellent last 30% longer.

Veredus code: DRSP Jar: ml 500

RAPTOR

FLY REPELLENT WITH TOTAL ACTION

To protect horses from horse flies, house flies, stable flies, face flies, horn flies, deer flies, gnats, mosquitoes.

The combination of pyrethroids and insect repellent substances **repels** and **kills** flies, mosquitoes, fleas, ticks and horseflies.

Extremely **efficient** formula with sunscreen that prolongs the repellent action.

COMPOSITION: Tetramethrin 0.4% - Permethrin 0.2% - Piperoniil Butoxide 2%.

Veredus code: RAP Jar: ml 500

BIO REPEL GEL

WITH CITRONELLA, GERANIUM AND CINNAMON

Fly repellent gel, **non-toxic** and **hypo-allergenic**, made of citronella, geranium and cinnamon. Specially formulated for use on **delicate** and **sensitive areas** such as eyes and muzzle.

Safe for use on skin abrasions.

DIRECTIONS:

Smear a thin layer where necessary.

Veredus code: RGE Jar: ml 500

BIO REPEL SPRAY

NATURAL FLY REPELLENT WITH CITRONELLA, GERANIUM AND CINNAMON

The well-known fly repellent properties of citronella, geranium and cinnamon create a **protective shield** over the horse's **coat**.

DIRECTIONS:

Spray from 20 cms. away over the whole body. Shake before use.

Veredus code: RSP Jar: ml 1000 - ml 3000

BIO REPEL SHAMPOO

WITH CITRONELLA, GERANIUM AND CINNAMON

Bio Repel Shampoo combines **cleaning** and **nourishing agents** with the **fly repellent properties** of citronella, geranium and cinnamon. Use together with Bio Repel Spray for extra effectiveness.

DIRECTIONS:

Wet coat and apply Bio Repel Shampoo at various points and massage. Leave for a few minutes and then rinse.

Veredus code: RSH Jar: ml 500

EVENT-GEL

SLICK GEL

Event-Gel is a specially formulated grease that helps offer protection to horse's legs and chest in the event of an impact. Its creamy and **slick properties** means that the gel can be applied evenly to the horse's skin, also helping **to reduce the risk of cuts and injuries**.

Event-Gel is specially **recommended for cross-country events** with particularly difficult natural obstacles.

DIRECTIONS:

Spread a layer of Event-Gel on the limb and on all injury risk zones. After the sports event, wash with running water.

Veredus code: EVG Jar: ml 2000

NEO DERMA CREAM

RESTRUCTING LOTION WITH COLLAGEN AND HAZEL EXTRACTS

Cream which nourishes and **restores** the **epidermis**, for dry and sore skin.

Effective on cases of saddle sores, mud fever and skin irritations.

DIRECTIONS:

Rub ointment over affected area.
Repeat application two times daily.

Veredus code: NDC Jar: ml 250

COOL CLAY

CLAY WITH DEAD SEA SALTS AND ARNICA

The vigorous astringent and relaxing action of Cool Clay effectively helps functional recovery in the tendon and muscle system of limbs.

• **DEAD SEA SALTS:** the **osmotic activity** of the Dead Sea salts helps **eliminate** metabolic **wastes** accumulated during work.

• **ARNICA:** essential oil having excellent anti-inflammatory, toning and relaxing properties.

DIRECTIONS:

Spread an even layer (against the hair) on the horse's limbs and leave to work for 10-12 hours. Cool Clay is applied cold and no bandaging is required.

Veredus code: COC Jar: gr 2500 - gr 6000

PHLO-GEL

GEL WITH ARNICA

Assists in the relief of muscle and tendon inflammation. **Tones** and **relaxes**, promoting **muscle** and **tendon recovery**.

Ideal for **massaging before competitions**, especially during cold period.

Active Ingredients:

- Methyl salicylate: with outstanding anti-inflammatory action.
- Essential oil of marjoram, lavender eucaliptus, geranium, cypress, myrth, arnica: **invigorating blend**.
- Camphor - Arnica.

Veredus code: PHG Jar: ml 500

ICE-GEL

REFRESHING GEL WITH CALENDULA AND SEAWEED

Tonifying and refreshing gel for horses legs, recommended after every intense work-out, in all cases of **muscle** and **tendon fatigue**.

Active Ingredients: Calendula - Peppermint - Sea weeds.

Veredus code: COG Jar: ml 500

SANIX

ANTI-DANDRUFF AND ANTI-ITCH LOTION FOR TAIL AND MANE

Lotion specially formulated to restore normal **hygienic** and biological conditions to horsehair roots. It **eliminates itchiness** and all causes of mane and tail **rubbing**.

DIRECTIONS:

Spray on Sanix and massage on the part to be treated.

Repeat daily until symptoms have disappeared.

Veredus code: SAN Jar: ml 500

CURIUM BALSAM

LEATHER BALSAM WITH BEESWAX AND AVOCADO OIL

Nourishing and softening leather balsam.

- **BEESWAX:** natural softener par excellence, makes the leather extraordinarily **supple and elastic**.
- **AVOCADO OIL:** **nourishes** the leather deep down, keeping it **strong and smooth**.

Active Ingredients: Lanoline - Bees wax.

Veredus code: CBA Jar: ml 500

CURIUM SOAP

LEATHER SOAP WITH GLYCERINE, LANOLINE AND COCONUT OIL

Cleans and nourishes deep down, and polishes all kinds of leather, whilst enhancing the natural **softness and suppleness**.

- **GLYCERINE:** traditional substance for cleaning and making leather **supple**.
- **LANOLINE:** a natural, **softening** and nourishing grease.
- **COCONUT OIL:** a very fine, natural oil that keeps leather **polished and bright** for a long time.

Active Ingredients: Glycerine - Lanoline - Coconut oil.

Veredus code: CSO Jar: ml 500 - ml 3000

CURIUM OIL

LEATHER OIL WITH BEESWAX AND AVOCADO OIL

Nourishing and softening leather oil.

Contains cleaning and conditioning elements that penetrate the leather to make it **soft and waterproof**.

The wax forms a protective skin against **corrosive agents**. Avocado oil and fatty acids feed the leather keeping it smooth and durable.

- **BEESWAX:** natural softener par excellence, makes the leather extraordinarily **supple and elastic**.
- **AVOCADO OIL:** **nourishes** the leather deep down, keeping it **strong and smooth**.

Active Ingredients: Lanoline - Bees wax.

Veredus code: COI Jar: ml 500
